SELECTED VISUAL DESIGN PROJECTS

Sacred Intelligence

06/2026

• Translated spatial research and weighted datasets into generative visual fields and five interactive environments, combining visual systems, procedural design and responsive spatial media.

Light Up New York for But a Moment

06/2023

• Created a cinematic environment and animated transformation sequence for a speculative Times Square project, combining moving image, cinematic composition and spatial storytelling.

8 Canada Square / Foster + Partners

03/2024

• Took primary responsibility for the Revit model and cinematic visualisation, translating coordinated spatial information into clear visual outputs for professional design communication.

CORE SKILLS

Visual Design & Art Direction: Composition · Colour · Lighting · Visual Hierarchy · Image-Making · Visual Storytelling · Design Critique

Spatial & Sculptural Design: Form · Materiality · Scale · Proportion · Object–Space Relationships · Installation · Physical Making · Spatial Composition

Layout & Graphic Communication: Editorial Layout · Presentation Design · Diagramming · Information Hierarchy · Architectural Drawing · Visual Communication

Film & Moving Image: Framing · Editing · Motion Graphics · Sequencing · Cinematic Composition · Animation · Visual Narrative

Real-Time 3D & Spatial Media: Unreal Engine · Blueprints · Real-Time Visualisation · VR · Pixel Streaming · Gaussian Splatting · Motion Capture · Object Tracking

Generative & Computational Design: Houdini · Grasshopper · Procedural Workflows · Data-Driven Visualisation · Interactive Systems

3D Modelling & Digital Production: Rhino · Blender · Revit · Physical Prototyping

Adobe Creative Suite: Photoshop · Illustrator · InDesign · After Effects · Premiere Pro

WORK EXPERIENCE

Foster + Partners

07/2023 – 09/2024

Part 1 Architectural Assistant — Coordinated models and design information within multidisciplinary teams on competition and design-development projects; shaped cinematic visualisations and real-time environments to communicate spatial design clearly.

Amateurist Studio

07/2022 – 03/2026

Co-founder — Led design and delivery of an immersive concert stage for YEANA in Yunnan, China; collaborated on product and visual design projects.
